Terry and Tony Prentice had no trouble convincing Ivan and Aline Casement to purchase apples during the annual Minden Boy Scout Apple Day. The Prentice twins were two of many Scouts, Cubs and Beavers who fanned out through Minden Saturday to raise funds for the local organization. Even though the Casements were selling apples in bulk to those attending the Demolition Derby, they were happy to purchase one from the boys and support the worthy cause.

Eakins seeks liberal nomination

John Eakins has announced he will seek the Liberal nomination for the Victoria - Haliburton riding for the provincial election expected next year. The member of the Provincial Legislature announced his intention to seek the nomination in a press release issued October 4.

"During the nine years that I have been privileged to represent this riding, many positive results have

been realized and a great many of my constituents assisted with their problems," Eakins stated. Eakins said that he had received encouragement from throughout the riding to seek another term.

The MPP noted that Liberal leader David Peterson had assigned him the task of ascertaining the problems of rural municipalities in the province. "The future life of our rural communities is personally

very important to me," Eakins said. "It must be seriously addressed by those in positions of leadership." He noted that his report on rural municipalities should be available "very shortly."

"If successful in my nomination, I will look forward to discussing the issues of the day, as well as defending my nine years of stewardship at Queen's Park," he concluded.

At the time of the press release, it appeared that a

provincial election would probably be called for late November. However, on Thanksgiving Day Premier William Davis announced his intention to resign from the post. His action means that a vote will probably not be held now until the spring of 1985 at the earliest.

The Liberal nominating convention is scheduled to be held October 19 at the Royal Canadian Legion Hall in Lindsay.

Soyers Lake group backs draft plan

A draft of the official plan of the Townships of Anson, Hindon and Minden has received a nod of approval from the Soyers Lake Ratepayers Association.

The plan was discussed at the Association's Fall meeting on Sunday, October 7 at the PineStone Inn.

While generally in favour of the draft plan the members of the association made several recommendations.

Lew McCorrison, President of the association, noted that certain assumptions have been made by the

municipality regarding the future growth of the townships.

He pointed out that the plan recognizes that the population of the municipality will increase at a slow rate over the next decade and that this growth will be primarily due to permanent use of formerly seasonal dwellings.

He drew attention to section 11 of the plan which states, "Due to the proximity of the Townships to the urban areas of southern Ontario and the subsequent heavy usage of cottages, the differentiation between permanent and seasonal residential dwellings is often meaningless. All residential dwellings in the "waterfront" areas are subject to the same policies."

McCorrison commented that he was pleased that a distinction is not being made between permanent residences and seasonal residences noting that it is the ambition of many cottage owners to eventually settle in the Highlands.

In referring to the development standards outlined in the draft plan, the president quoted a section which stated "Residential development shall not exceed a density of five units per hectare. Backlot development will not be permitted and a minimum lake frontage of 40 metres will be

required."

McCorrison commented that although the association had recommended that minimum lake frontage should be 150 ft. (45 metres) the association could accept the minimum frontage of 40 metres.

Burt Tait, a member of the association executive suggested that the wording of the section which had been quoted should be changed substituting the word "shall" for the word "will" noting that the word "shall" has more force in legal arguments.

He also suggested a change in the wording of the statement regarding public access to water. The section he referred to states; "In recognition of the importance of water-based recreation to residents and visitors, it is the policy of Council to increase the number of public access points to Townships' waterbodies wherever possible."

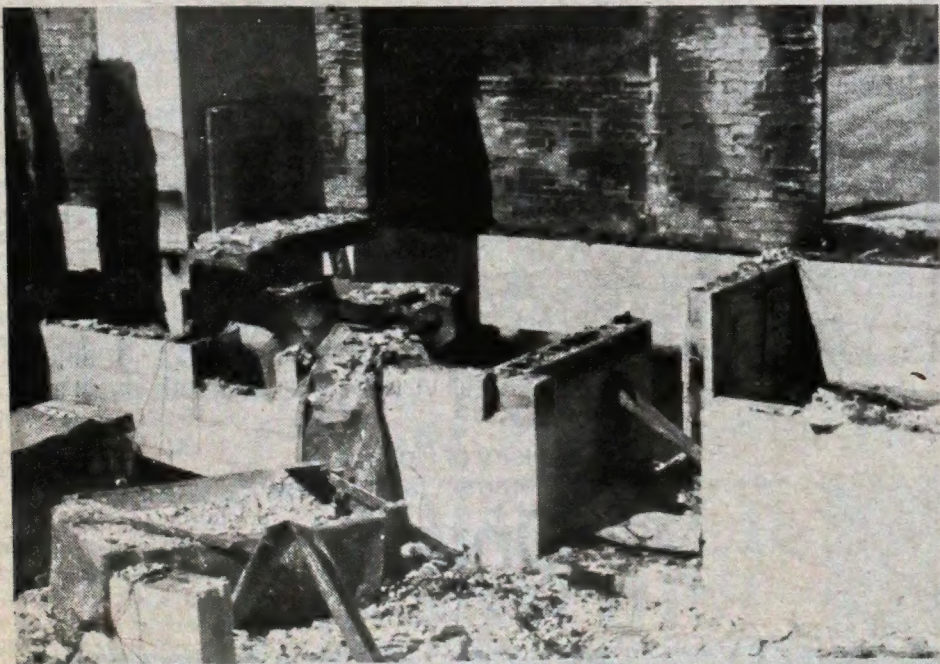

Tait argued that if the number of public access points is increased there will be a corresponding increase in marine traffic which would adversely affect water quality. He noted that this

contradicts the preceding section of the draft plan in which the statement is made that "No proposal (for development) will be approved if, in the opinion of Council, the existing lake environment and/or water quality will be detrimentally affected."

Tait suggested that the phrase "increase the number of" should be replaced by the phrase "maintain a satisfactory number of" and further that the phrase "wherever possible" should be deleted.

The suggestions were included in a resolution which was passed in a vote by the members.

The wishes of the association will be communicated to the council by the executive when a public meeting is called to discuss the official plan.

Fire razes home

Fire swept through the home of Frank Witter early on Wednesday morning. The home, which was located on Duck Lake Road in Blairhampton, was completely gutted. The blaze went undetected throughout the night and the charred shell was discovered by neighbours in the morning. An investigation into the cause is continuing.

Compromise proposed for cottage controversy

The Soyers Lake Ratepayers Association has passed a resolution which proposes a compromise solution to a dispute involving the construction of a cottage in a subdivision on Poverty Bay.

The resolution was passed at the association's fall meeting on Sunday, October 7 at the PineStone Inn. The meeting was attended by 40 members.

Lew McCorriston, president of the association, acted as chairman at the meeting. He informed members that the development of the subdivision began in 1975. Nine lots, five of which are waterfront lots were zoned "seasonal residential" and one lot (Block A) was dedicated to the Municipality of Anson, Hindon and Minden and zoned "open space for parkland purposes".

The five lakefront lots have been sold and developed. After Block A was sold to Vasey Real Estate by the municipality, the association voted to oppose the rezoning of the lot from "open space" to "residential" and a letter was sent to the Anson, Hindon and Minden Council outlining their objections.

When the association was informed by a Mr. Cotton that he had purchased lot A and had been issued a building permit the association again wrote to Council stating their objection to the issuance of the permit and pointing out that although the lot has a frontage in excess of 200 feet on the Blairhampton Road, the lake frontage is only 71 feet. The letter pointed out that a municipal bylaw prohibits the construction of a residence on a lot that has a frontage which measures less than 100 feet.

The Chairman added that a stop work order had been issued by the municipality but that a building has been erected on the property.

He informed the members that the municipal council has made no further decision on the matter pending a report from the municipal solicitor.

Following the chairman's report Burt Tait, a member of the association executive, stated, "The basic problem is that the lot is not residential and the building permit should not have been issued" adding "It is a sub-standard lot in terms of its waterfrontage."

He noted that Mr. VanKoughnet opposes the construction of the building because of its proximity to his own cottage and because the lot is undersized. He added that although the area of the lot is large, it is quite narrow where the cottage has been constructed.

He suggested to the members that the adjoining

unopened road allowance could be conveyed to Mr. Cotton and that if Mr. Cotton then moved his cottage a further 20 feet away from the lot line it would get the building "off Mr. VanKoughnet's doorstep."

A member present noted that the minimum setback is five feet and that Mr. Cotton was "within his rights because he is eight feet from the lotline."

Another member pointed out that by rezoning the open space and the road allowance from public to private property the owners of the four backlots would be denied access to the lake.

Burt Tait responded by stating that in his opinion there were four competing interests; Mr. Cotton, who had constructed a building after being issued a building

permit; Mr. VanKoughnet who is opposed to the construction of the building; the developer who will not be able to develop the remaining four lots because of the loss of public access and the provincial government which is opposed to the stopping up of road allowances that provide public access to water.

He suggested that the land which Mr. Cotton would acquire as a result of the conveyance would compensate for the cost of moving the cottage. He also suggested that a pedestrian right of way could be created to provide access to the lake for the owners of the four backlots.

He explained that this right of way could be situated between the two cottages after the recently constructed cottage was

moved and that because the right of way would guarantee access to the lake, the provincial government might not oppose the road allowance closure.

A member stated that 14 members of the association whose cottages are situated on Poverty Bay had signed a petition stating that they were not in favour of the

rezoning but that Mr. Cotton had a right to continue constructing the cottage. The member added that she felt that the municipal council had acted foolishly in issuing the permit but that Mr. Cotton should not be forced to tear down the building.

This position was supported by another

member who stated that an exception should be made in this case.

A resolution outlining the details of the conveyance of the road allowance, the relocation of the cottage and the establishment of the pedestrian right of way was drawn up and passed by the members.

Front page exposure for Blairhampton Golf Club

It is not often that the Haliburton Highlands gets front page exposure in a national magazine.

However, such was the case with the September - October publication 'Greenmaster'. The magazine

which contains information of interest to those involved with the care and maintenance of golf courses, features a full colour shot of the sixth green at the Blairhampton Golf Course.

The photo, which was

taken by Billie Shuyler, shows the green with a dramatic backdrop of the Highlands in full autumn colour. The photograph was taken Thanksgiving Day 1983.

Hold your breath and read this.

If your chimney is defective, your house may be feeling just like you do right now.

Because heating systems take in oxygen and release carbon dioxide. Just like you do.

But when a furnace can't get enough oxygen, or carbon dioxide can't escape, your house can't "breathe". Carbon monoxide can be created and that is a dangerous situation for you and your family.

A clean and clear chimney is necessary to vent your furnace properly.

Here are some warning signs of chimney deterioration:

- ☐ loose mortar and bricks
- ☐ white powder or water stains on chimney above roof
- ☐ water stains at the chimney's clean-out door

YOU MAY NEED A CHIMNEY LINER TO PREVENT EROSION OF THE MASONRY.

For your safety, and for your peace of mind, have your heating system and chimney inspected and cleaned annually by a qualified contractor. You and your house will both breathe a sigh of relief.

Record crowd watches demolition derby

A driver in one of the cars Saturday afternoon found things a little cramped as another participant in the demolition derby shoved his vehicle up against the perimeter of the bullpen.

Over 1000 spectators were treated to an afternoon of exciting action as the Minden Kinsmen annual Demolition Derby was held on

Demolition Derby was held on Saturday October 6.

83 entries, including 17 drivers from the Minden area, took part in the event attracted by over \$2000 in prize money.

The drivers whose cars lasted the longest in each of the ten elimination heats met for the the final clash in the feature event.

After 7 of the 10 cars were put out of action in the feature heat, Jim Grant of Mount Albert and Wayne Greer of Lindsay collided and were unable to continue.

Brian Till of Uxbridge was still moving when the siren sounded to end the heat and was awarded the top prize of \$1000 and the Bryce Gilbert Trucking trophy.

Jim Grant and Wayne Greer agreed to split the combined prize money for the second and third place finish.

Lelah Horton outlasted 12 other entries to take first place in the Powder Puff event. She was awarded \$200 and the Dixie Lee Cup for her victory.

Dave McLaughlin of Lindsay and Bob Shepherd of Scarborough were the winners of the consolation heats.

Tom Prentice Jr., John Crawford and Ken Fountain all of Minden, were winners in three of the heats but placed out of the money in the feature.

LCBO break-in foiled by alarm

Other than an attempted break-in at the Liquor Control Board store in Gooderham, police report it was a quiet weekend in the county.

The break-in attempt at the LCBO occurred Saturday evening when the front door of the premises was forced open. The action

caused an alarm to sound, apparently frightening off the intruders.

Nothing was taken.

Other than that incident, police report it was a quiet weekend, despite the high volume of traffic which passed through the Highlands during the Thanksgiving holiday.

The Haliburton Highlands Hospitality Training Centre has a new skills instructor.

The appointment of Janice Lucy to the post was announced last week by the centre's director, Sharon Poldas.

Janice Lucy replaces Pat Burns who has accepted a position in Montreal.

Lucy has a bachelor of Arts degree from the University of Guelph and is a graduate of the hotel management program of Toronto's Humber College. She has had extensive practical experience in establishments in Toronto, Guelph and Kingston.

Her duties at the centre will include instruction in bar and cooking.

PAYNE

REAL ESTATE LTD.

Thank you for an excellent year. We have enjoyed representing and selling many, many properties this past season. We are now anxious to list more of your properties so we can catch the last of the selling season this fall, and be ready for the Spring Market at the Sportsman Show in March.

This being the colour season is an excellent time to take pictures so the cottages and homes can be presented in the best possible way.

If you are contemplating selling your property this fall or in the spring, please call us as soon as possible so we might capture your cottage or home at the most opportune time.

SPORTSMAN SHOW

March 15 to March 24, 1985

WE WILL BE THERE

To explain to the thousands of potential buyers why they should choose our beautiful part of the province for their relaxing pleasure.

WE NEED YOUR HELP!

Your properties are what these buyers want, but if we don't display them at the Show, it may be some time before they know about your cottage, lot, acreage, home, business, etc.

LET US TAKE YOUR PROPERTY TO THE BUYER

After many years experience at the Show it has proven that the early buyers are just waiting to see what is on the market. It also establishes for us what type of properties the buyers are looking for.

A new beginning

As the Haliburton Highlands Chamber of Commerce gathers today for their annual meeting, it would be a good time for the members to seriously weigh the future direction of their organization. The Chamber has had some rough moments in the past year or more.

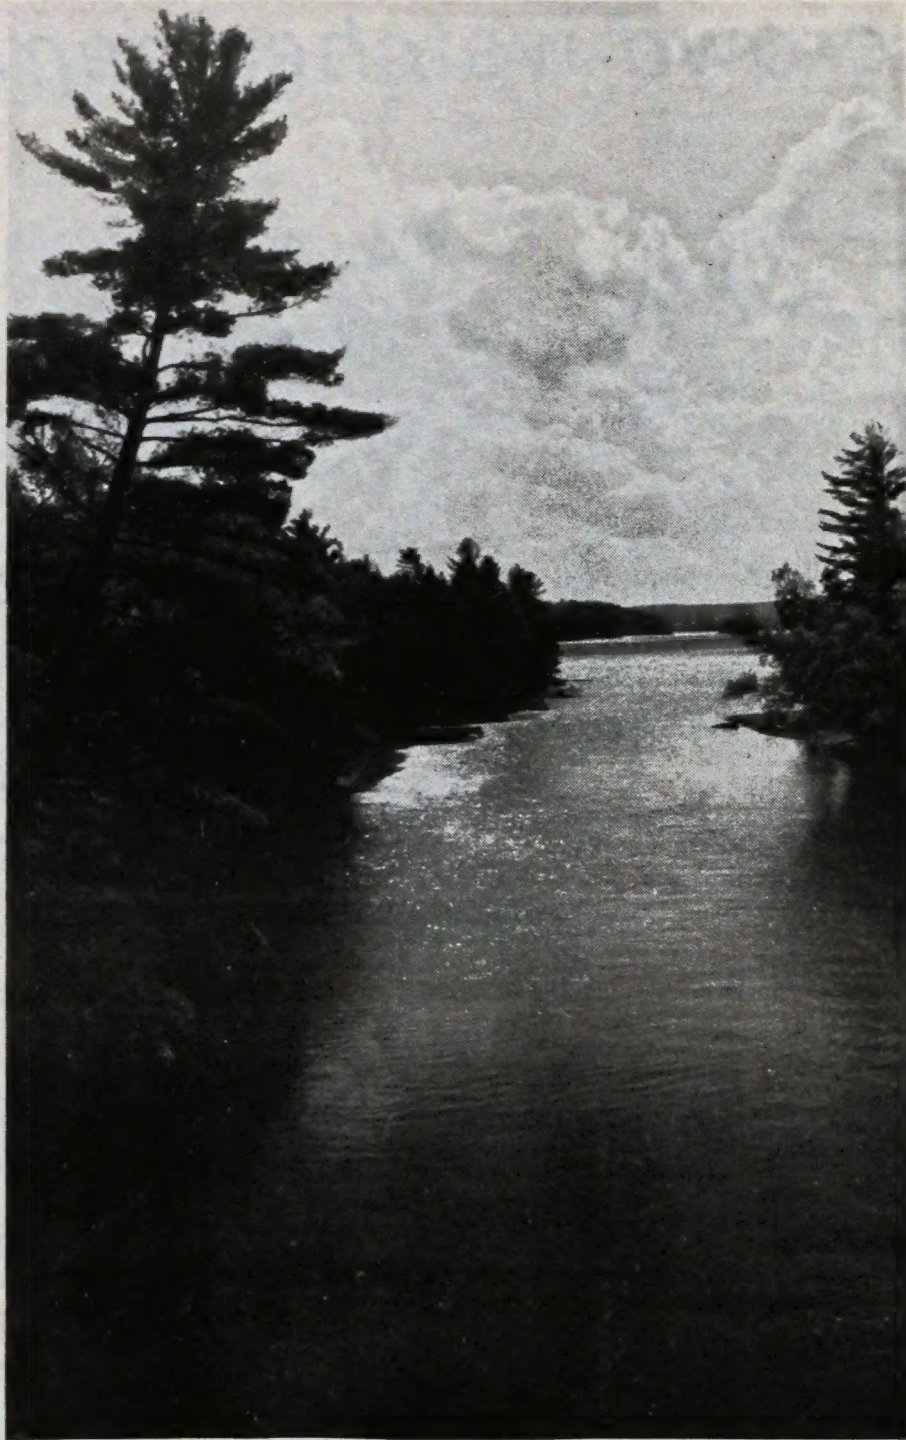

The endless search for a manager to take control of the organization's operation appears to be over. The problem of the image the organization presents to the public through its physical presence is on the way to being cleaned up...and thank goodness for that. The organization has also received a vote of confidence from its major financial backer, the county government.

These are all positive steps that bode well for the Chamber's future. What is needed now is a comprehensive plan of action that will return the maximum benefits possible using these building blocks as a solid foundation. Such a plan should clearly state the objectives, the methods to achieve these results, a follow-up to ensure that the goals have been met and if they haven't, an examination to reveal what went wrong.

The Chamber can and should be an important tool in the promotion of the Haliburton Highlands. But the objectives the organization sets for itself must be realistic. Setting goals which are beyond reach can only lead to ridicule, condemnation and have a demoralizing impact on the directors and the membership.

Attaining these objectives can only be effectively reached through the strong support, including financial, of the organization's membership. The board of directors may have ultimate authority, but they must also be willing to listen to the ideas and concerns of the members. Likewise, the members should not walk away from the annual meeting feeling their contribution is complete. Only through year round interest in the organization's efforts, can the members hope to obtain the benefits they feel the Chamber should produce.

Today marks another new beginning for the Haliburton Highlands Chamber of Commerce. How successful they will be in the year ahead will depend on the outlook of those selected to manage the Chamber's affairs and the support provided by its members.

Red tape hurts trucker

- by John Eakins, MPP -

I will be protesting to the Minister of Consumer and Commercial Relations the red tape and poor accounting practices in his Ministry, which resulted in a Haliburton trucker having his licence unnecessarily under suspension for many months.

Last October, this Haliburton trucker paid an award to the Ministry of Consumer and Commercial Relations and because of poor accounting practices, this information was not properly recorded and therefore not relayed to the Ministry of Transportation and Communications for their licensing records. As a result, a suspension order was issued against this

gentleman, but he was never informed. Only when he was stopped for a minor loading infraction did he find out the information on his record, and that his licence has been improperly suspended.

Through the determination of our office, we were able to research this quickly,

even though the Ministry of Consumer and Commercial Relations initially insisted this payment was outstanding. Surely the Ministry owes an apology to this gentleman for the inconvenience caused by such bureaucracy.

LCBO stores

After a series of meetings and cooperation with the Liquor Control Board of Ontario, two areas of Victoria - Haliburton riding are being serviced with liquor outlets.

The initiative of the Township of Glamorgan in

Haliburton County and of the Township of Manvers in Victoria County, has resulted in trailer outlets being located in Gooderham and Pontypool.

I believe that the smaller communities of Ontario and in this case Victoria - Haliburton, are entitled to good standards of services so that citizens do not have to travel long distances for those goods and supplies

that urban areas take for granted.

I appreciate the cooperation of the Liquor Control Board of Ontario and the initiatives of the municipal councils.

TVO transmitter

I am pleased that many individuals and municipal councils are writing to the Minister of Citizenship and Culture urging the Minister to proceed with the establishment of a TV Ontario transmitter in the Gores Landing area. It is important that many rural parts of our province have a service that our urban cousins take for granted. Over the past several years I have continually talked to the Minister with regard to expanding this service to these needed areas.

I urge everyone to write to the Honourable Susan Fish at Queen's Park, and urge that she continue with plans for the Gores Landing transmitter. Much credit is due to Mrs. Nancy Matheson for continuing this fight.

outdoors

Federation of Ontario Naturalists

As the end of autumn approaches, one of the most enduring natural pageants in the world is unfolding: the incredible migration of monarch butterflies to their age-old winter roosts in Mexico.

From this end, the annual southward flight, the only true migration known to the butterfly world, offers no great drama. But high in the mountains near the isolated Mexican village Angangueo, it's a different story altogether. And this year naturalists can claim some of the credit.

Discovered only in 1975, the three thousand mile monarch migration route begins and ends on a single mountain ridge where unbelievable numbers squeeze into cramped quarters on sites only several acres large, and turn the sky orange and black when in flight.

Tragically, this discovery was barely transmitted before modern forestry started chewing its way into the region, shattering the remoteness and threatening the habitat which has sustained the butterflies through countless migrations.

Scientists from the International Union for the Conservation of Nature have rushed in and developed a plan to save the three most heavily used wintering areas from further harm. Together with connecting corridors and buffer zones the area to be protected amounts to 50,000 acres. But there's a catch. The Mexican government, struggling with tremendous economic problems cannot afford to implement this plan or stop the logging.

Hearing of this dire situation, the Hamilton Naturalists Club initiated efforts by a variety of conservation organizations, (notably the Manitoba Naturalists Society) which ultimately led the International Fund for Animal Welfare to take action to acquire 80 acres of monarch habitat.

Other problems remain for the monarch, most notably an apparently serious rise in predation by birds at the wintering sites. These and other troubles which more human visitors will undoubtedly bring will require attention. But in the meantime, a most important first step has been taken to secure the future for this remarkable traveller.

Editor:

May I first state: I am not anti Chamber of Commerce. I believe a chamber of commerce serves—a very important role for the business and commerce area of a community. The Chamber is an excellent 'watchdog' and a good lobbyist vehicle for and against government involvement in their business life. I am an inactive member of the Chamber of Commerce.

Now, I would like to pose some thoughts, to you the active membership:

1. Do you really need the Chamber of Commerce as it presently represents you?

2. Do you feel it could serve you better?

3. How do you feel as independent business people, always being on the 'political stage' of municipal councils?

4. Do you ever feel there is a conflict of interest present in the chamber's decisions?

5. Is the County of Haliburton too big of an area to be represented effectively, from the Chamber's one location?

Maybe there is a solution in one or all of the following ideas:

1. Disband the present chamber into local offices of representation. i.e. Chamber of Commerce of the town of or village of, etc.: Then have the County of Haliburton Chamber of Commerce as the parent body for over-all business.

2. Quit taking County of Haliburton tax money and represent Haliburton as an independent body.

3. Eliminate the Chamber's large budget. Don't have a high salaried manager or think about a chamber building. These costs are too high without public support.

4. Think 'positive' and appeal to the membership for volunteer help to run the Chamber's day to day business.

5. Strike a new budget, then set membership fees to fund it. Now you are independent to do a good job by yourselves.

D. Farrell
R.R. 1, Minden

P.S. Don't forget the General Meeting October 10, 1984.

Editor:

During the month of September the Ontario Crafts Council, Sir Sandford Fleming College and the Haliburton Highlands Guild of Fine Arts played hosts to a gathering of some 200 craftspeople who represented the 'creme de la creme' of the Canadian crafts scene at the Canadian Crafts Conference.

Each province had a delegation. For five days they wallowed in the

warmth of our hospitality and the beauty of our colourful surroundings. As if on cue, nature cooperated to complete the pleasantness of the situation—a heron and a deer came on the scene during one lunch time—to provide an unplanned diversion to the seriousness of the discussions.

They carried to their cars and buses conference bags, and pottery jars filled with maple syrup, all handcrafted for the event by Guild members. These will serve as more permanent reminders of their Haliburton experience. There is no doubt they returned to their homes in every part of Canada carrying with them images of Haliburton as a growing national art centre.

The spin-offs to a community from efforts of this sort can never be measured. This group has performed in the same way to bring about a Community College, a Gallery, as well as many activities that are both an attraction to visitors and a source of enjoyment to area residents. They are the unsung heroes of the County.

I am proud to be a part of such an organization and grateful to the members of the community who financially backed its activities.

Carole Finn,
Chairman,
C.C.C. Committee.

Editor's note: The following is a letter sent to Carole Finn by the Executive Director of the Ontario Crafts Council.

Dear Carol:

Do hope that you and the members of your committee have planned a meeting to congratulate yourselves on a job well done.

The thought and care which each of you put into this conference was evident to everyone, and I know that I speak for all when I say 'thank you'. Your attention to detail made life much easier for Alison and myself, and it was great to know that the tents would be up, the bus would appear, the band would play, the food would be delicious, the choir would sing, the bags would be ready and most importantly that everyone would be gracious and hospitable.

Many thanks for your gifts of time, thought and expertise. The conference succeeded because you gave so much.

Joan E. Foster
Executive Director

Editor:

I would like to thank the members of the Guild of Fine Arts who were involved with the selection of my essay on "The value of Art in Haliburton County". I was delighted to win the three day "Collage" workshop conducted by Marilyn

Brooks at the 10th Annual Canadian Crafts Council conference. My special thanks to Sandalwood Gifts of Minden who donated the prize.

It was a privilege to be with the 25 interesting and talented people—such as teachers and students from as far away as Newfoundland and Calgary.

Marilyn covered various aspects of fashion, design

and marketing. She demonstrated how craftspeople can use their talents in the fashion market. She brought a wealth of knowledge and sense of humour which was most stimulating to everyone. She also brought "scraps" left over from her own dresses and coats; and in less than 2 1/2 days many of the ladies created dresses, jackets, and even afterski boots—all from

the "scraps". The exchange of ideas was priceless.

The climax of the workshop was a fashion show with everyone taking part in some way. Marilyn had many of her fall fashions with her and we "accented" them with our own creations. Special mention should be made of Marta Vanderwal's dress, named "Dimensions". Her accomplishment of creating a

THE TIMES Page 5

beautiful gown with many 5" scraps was very interesting. Congratulations Marta!

One of the younger girls in the group said it was her "Thrill of a Lifetime". It sure was thrilling to me.

Thank you again, Haliburton Highlands Guild of Fine Arts.

Shirley Hodgson,
Haliburton.

sir sandford fleming college

PARENT & CHILD SWIM

During this eight week course, parents and preschoolers will get a head start on the swimming season. Children, with the assistance of one of their parents, will learn the basics of swimming. Class size is limited to ten sets of swimmers (parent and child). Each child must be accompanied by an adult. All swimmers must bring their own towel and bathing suit.

INSTRUCTOR: JoAnne Coumbs

LOCATION: PineStone Inn and Country Club

DATES: Wednesdays, October 17 to December 5

TIMES: Session I - 9:30 a.m. to 10:30 a.m. - 2 years & under
Session II - 10:30 a.m. to 11:30 a.m. - 2 yrs. to 5 yrs.

FEES: \$35.00

DANCERCISE

Dancercise is the fun way to work out. Fitness exercises and jazz dancing set to music. This course is designed to firm and stretch your body and improve your cardio-vascular endurance.

INSTRUCTOR: Glenda Foster

LOCATION: Haliburton Highlands Secondary School

DATE: Wednesdays - October 17 to December 5

TIME: 7:00 p.m. to 8:00 p.m.

FEE: \$45.00

BALLROOM DANCING

A basic course for students who would like to learn or improve their dance skills. The instructor will introduce four social dances: jive, waltz, fox-trot and cha-cha. Students will learn how to lead and to follow.

INSTRUCTOR: Glenda Foster

DATE: Wednesdays - October 17 to December 5

TIME: 8:00 p.m. to 9:00 p.m.

LOCATION: Haliburton Highlands Secondary School

FEE: \$45.00

CHILDREN'S JAZZ DANCE

A basic jazz dance technique program for children. This program will help to improve co-ordination and balance.

INSTRUCTOR: Glenda Foster

LOCATION: Haliburton Highlands Secondary School

DATE: Wednesdays - October 17 to December 5

TIME: 6:00 p.m. to 7:00 p.m.

FEE: \$45.00

BASIC WELDING

(Arc and Gas Welding Techniques)

This course will be useful to various members of the community interested in the repair of equipment and machinery. This program includes practical training in a welding shop in the following areas: Oxy-acetylene safety precautions - operation and equipment, assembly of equipment, fusion welding, dealing with the flat position, brazing and the identification of equipment, preparation and fit-up, electrode classification and coding systems and cutting. This course is designed to develop basic skills, however, students may advance according to their skills and interest.

INSTRUCTOR: Roger Kirkpatrick

DATES: Tuesdays & Thursdays, October 16, 18, 23, 25, 30 and November 1

TIME: 7:00 p.m. - 9:00 p.m.

LOCATION: Haliburton Machine and Manufacturing

FEE: \$50.00

NOTE: Please issue two separate cheques, made payable to Sir Sandford Fleming College, in the amounts of \$10.00 and \$40.00 to cover registration and materials fees.

HAND KNITTING WORKSHOP

A basic knowledge of hand knitting is required.

Don Colvin will teach this intermediate course using fancy knit stitches, inspiring students to draft their own unique patterns, integrating a variety of textures, fur, suede, ribbons, and bead work creating an individual piece of knitwear. Enjoyment and creativity are emphasized.

INSTRUCTOR: Don Colvin

LOCATION: Sir Sandford Fleming College Lakeview Centre

DATE: Saturday & Sundays - October 13 and 14, January 19 and 20, March 30 and 31

TIME: 9:30 a.m. to 4:00 p.m.

FEE: \$45.00

QUILTING

This class will incorporate four workshops.

1. Jiffy Piecing - a grid system for triangles, diagonal sets, two bell block systems and connector block while making the shaded triangles pattern in a wall hanging or quilt.

2 Days - October 16 & 17

2. Double Iris Chain - a new quick method for this traditional pattern for use on a tablecloth.

2 Days - November 13 and 14

3. Variations of Rail Fence - varying the pattern to make it suitable for wall hangings.

1 Day - December 11

4. Lone Star - a simplified technique for making this popular block - students will start by making a pillow, wall hanging or baby quilt.

1 Day - December 12

INSTRUCTOR: Betty Ann Welsh

DATES: Workshop 1 - October 16 and 17

Workshop 2 - November 13 and 14

Workshop 3 & 4 - December 11 and 12

TIME: 10:00 a.m. to 4:30 p.m.

LOCATION: Minden Cultural Centre

FEE: \$50.00 The indicated fee includes all of these.

NOTE: Betty Ann Welsh is a quilter with many years of experience who also teaches for the Gingham Dog in Peterborough.

STAINED GLASS

Introducing glass work beginning with the construction of an attractive suncatcher using the copper foil method through to the designing and building of a window panel with suggested approximate size of 12" x 16".

Students will need a good quality, oil-filled glass cutter which will be available from instructor on the first evening of the course at a price of \$19.95. The use of the instructor's soldering irons and grinder is available during classes. The cost of materials needed during the course will be about \$35.00. This fee will cover the cost of one roll of 1/4" copper foil, one pound solder, one bottle flux, and approximately three square feet of stained glass. This will be variable, depending on the individual projects that are chosen.

NOTE: Students interested in purchasing a glass cutter should indicate when registering so the instructor can purchase the required number beforehand.

INSTRUCTOR: Joan Wilbee

DATES: Wednesdays, October 17 to November 21

TIME: 7:00 p.m. to 10:00 p.m.

LOCATION: Sir Sandford Fleming College, Lakeview Centre

FEE: \$45.00 plus materials

BASIC BOOKKEEPING

This bookkeeping course will examine bookkeeping procedures through to the trial balance, financial statements and closing entries for a service business.

INSTRUCTOR: Doug Mitchell

LOCATION: Haliburton Highlands Secondary School

DATE: Thursdays - October 18 to December 20

TIME: 7:00 p.m. to 9:00 p.m.

FEE: \$45.00

If tourism is your business you can't afford to miss this opportunity. TV Ontario will present the first hospitality training program developed for Canadians, "Tourism is your Business".

A financial management program designed for Canada's lodging industry, it is geared to current and prospective owners and operators of small and medium sized hotels, inns and resorts. Combining television and printed materials, this project consists of three principal elements: (1) ten half hour television programs produced by Tourism Canada. (2) A 300 page manual. (3) A 96 page study guide that links information presented on the programs and in the manual. Materials and information can be obtained by calling 1-800-387-8411.

Each program in the ten part series "Tourism is your business" is telecast twice a week - Tuesdays at 7:30 a.m. and Saturday at 12 noon. In each program different aspects of operating a business are examined, including keeping accurate records and accounts, obtaining financing and forecasting expenses and revenues. The series illustrates how you can increase profit and growth by using proven business techniques of financial management. After watching the program and studying the manual, you should be able to apply the techniques you learn to day to day situations, decision making, and long term planning in your own business.

The "Tourism is your Business" manual has ten chapters, each dealing with a separate aspect of financial

management explored in the television program on the same topic. A self test question and answer section helps you assess your own skills.

The study guide links manual and the video segments of this television-based course and emphasizes the important points in each. It contains practice exercises and case studies that give you hands-on experience you need to operate a successful tourism business.

If you have any questions about the course and its application to your business, phone TV Ontario at their toll free number 1-800-361-8411.

The telecourse is endorsed by Tourism Ontario, the Ontario Hospitality Institute, the Ontario Hotel and Motel Association, the Northern Ontario tourism Outfitters and the Ontario Restaurant and Food Service Association.

For tourist operators outside TV Ontario's broadcast range, tapes are available free of charge on loan.

Coming events

Minden hosts UCW conference

About 70 United Church Women representing Carnarvon, Gooderham, Haliburton, Ingoldsby, Lochlin, Maple Lake, Minden, Tory Hill and Wilberforce met at Minden on October 3 for the fall rally of Region 6. Nada Vaughan, Chairwoman, led in a chorus sing song, and followed with the call to worship based on the theme "Worthy to be Praised". Rev. C. G. Westhaver welcomed the ladies to Minden.

Ingoldsby led the morning devotions. Four members representing a teenager, bride, middle age, and senior each gave reasons for being thankful for their particular age group. We were reminded that we have so much to praise God for in all stages of life, whether young or old. The offering was received and dedicated by Lochlin members.

Wilberforce United Church Women extended an invitation for the 1985 Rally to meet at Wilberforce.

Reports given by each group showed each church busy remembering sick, shut-ins and bereaved as well as raising money to support their various concerns.

Mrs. Olive McDonald, President of Lindsay Presbyterian United Church Women, brought greetings and introduced the various officers present. She reminded the members of the executive meeting at Oakwood on October 29, and also the annual meeting at Sunderland on March 20.

Nora Bagshaw, Literature Secretary, gave a resume of books available for purchase at the lunch hour. Kathleen Morrison, Corresponding Secretary, reported that the ladies visiting from Korea would be at Harmony Road Church in Oshawa on

October 15 at 10 a.m., St. Mark's in Whitby at 2 p.m. and at Ajax at 6:30 p.m., as well as at a Rally in Ebenezer United Church on October 16.

Brenda Robinson, Youth Convenor, reported that the event for youth ages 15 - 21 would be held at Cannington on November 16 - 18.

June Devolin, Program Convenor, reported on the two workshops held recently. Aileen Shier, Leadership Development convenor, reminded the members of the mid-week event at Kingston on November 6 - 7. Other officers present reported briefly for their respective offices.

Following a delicious lunch served by Minden United Church Women the

afternoon session opened with a sing-song. Marion Barsley of Carnarvon led in prayer. Ev Stata and Marion Parozanin of Maple Lake led in a short "In Memoriam" service for members who had passed on during the past year. Julie

Hunter sang two beautiful solos in both the morning and afternoon sessions.

Barb James introduced the guest speaker, Cassandra Wyszowski of Oakwood who chose the theme "Worthy to be Praised" as the topic of her address. Mrs. Wyszowski stated that in order to desire to praise God we have to first establish a relationship with Him. Using Bible passages she outlined the

plan of salvation showing that God has provided a way for us to have that relationship by our acceptance of Jesus into our life. Using Psalm 145 she went on to share some ways of how to praise God. She mentioned that over 555 times in the Bible we are admonished to praise the Lord. In conclusion she stated that prayer without praise is like a one winged bird, but prayer with praise is offering our best to God.

Enrolment decreases

Total enrolment in the Haliburton County School system has declined slightly from last year.

The total unofficial enrolment as of September 25 was 1782 students down 24 students from the enrolment at the end of September in 1983. The figures were announced by Director of Education Stuart Baker.

The director noted that although enrolment has declined, the number of classes remains the same. He added that in spite of the decline, schools are facing a shortage of classroom space because schools must provide facilities for Special Education classes and computers.

PUBLIC MEETING
MUNICIPAL COUNCIL CHAMBERS
THURSDAY, NOVEMBER 1, 1984
7:30 p.m.

The Townships of Anson, Hindon & Minden will be holding an information centre concerning policies affecting lands prone to flooding adjacent to the Gull River in Minden. The purpose of the policies is to permit development in these areas subject to certain measures such as flood proofing and filling. The Municipal Planning Consultant will be in attendance.

(Ms.) Beverley Anne Millar
Clerk-Treasurer
Townships of Anson, Hindon & Minden
P.O. Box 98
MINDEN, Ontario.

Minden hairdresser Mabel Clendenning was pressed into service Saturday evening to judge the Anson, Hindon and Minden 125th anniversary beard contest. Participants in the competition were drawn from the audience attending the annual Minden Rotary Club Oktoberfest celebrations. Prizes were awarded in eight categories including one for the cleanest shaven and one of the female with the longest hair.

Seniors soccer team wins

The HHSS Senior soccer team continued to dominate their opponents this past week, recording two shutout victories.

The Seniors remain undefeated in their five regular season games scoring a total of 17 goals while only giving up one point.

On Wednesday, October 3 the Seniors defeated I.E. Weldon in Lindsay by a score of 2 - 0.

Jeff Howe and Bernie Upton scored an unassisted goal each.

On Thursday the Seniors overwhelmed Bancroft

scoring five unanswered goals. Jeff Howe led the way kicking in three goals on assists from Bernie Upton, Chris Laporte and Lennie Johnston.

Scooter Burgess, who missed Wednesday's game because of an injury, added to his season's total with a goal on an assist from Falk Fleugel. Chris Laporte playing another strong game rounded out the scoring with a goal on a pass from Eon Ross.

The HHSS Junior soccer team were not as successful as their senior counterparts but according to coach Glen

Scully the team played well and showed a lot of improvement in their play after suffering the worst defeat of the season in their previous game.

The Juniors were defeated 2 - 1 by I.E. Weldon on Wednesday then went on to tie Bancroft the next day. John Vanderhorst tied the game against Bancroft after taking a pass from Ray Gervais.

The Juniors record for the season is four losses and a tie.

Both teams travel to Lindsay today (October 10) to take on L.C.V.I. then play their final game of the

regular season on Wednesday, October 17 in Fenelon Falls.

Christmas mailing dates

The crisp fall air heralds the fast approach of some Christmas mailing deadlines for parcels, packets and greeting cards being sent to friends and relatives overseas by surface mail.

These surface mail deadlines for Ontario residents are as follows:

Asia, South Pacific, October 3.

Africa, October 10.

Australia, New Zealand, Philippines, Singapore, October 15.

Hong Kong, Poland, U.S.S.R., October 26.

South America, Caribbean, October 29.

Japan, November 2.

Other European countries, November 8.

Sweden, November 12.

Great Britain, N. Ireland, France, Germany (Fed.), Netherlands, CFPO's, and Switzerland, November 15.

Overseas airmail and domestic Christmas mailing deadlines will be announced soon.

Now the leaves begin to fall
And mornings and nights get cold
Bring your car in for an overhaul
Before one of you gets too old.

Redmen overpower Spartans

It was the Redmen against the Spartans as the HHSS football teams hosted the visitors from Lindsay on Friday afternoon.

The senior Redmen played an excellent game defeating the Spartans 21-14 in a contest that coach Gary Brohman described as "one of the best games ever played on this field."

The Junior team also came up with a good performance shutting out their opponents 7-0.

In the Senior game the teams alternated strong offensive drives but neither team was able to score until Paul Allore picked up the ball after Mike Blake blocked a Spartan punt and ran 70 yards for the touchdown. The T.D. was nullified however because of a clipping penalty to the Redmen on their 25 yard line. However on the next play Mike MacNaull swept left and ran the distance. Trevor Powers kicked the convert to put the Redmen up by 7 points.

The Spartans came right back, marching from their 40 yard line after the kickoff and scored on a screen play. The convert attempt failed when the ball bounced off the upright.

The Spartans tied the game adding a single point on a kick.

Starting at their own 35 yard line the Redmen advanced downfield. Peter Allore caught two passes from quarterback Trevor Powers to take the Redmen to midfield. Then, on the next play, Mike MacNaull sprinted along the sidelines to put the Redmen up by 6 points.

The convert attempt was unsuccessful, so the score remained 13-7 for Haliburton.

The Spartans went ahead just before the end of the first half scoring a touchdown and adding the convert.

The Redmen kicked off to begin the second half.

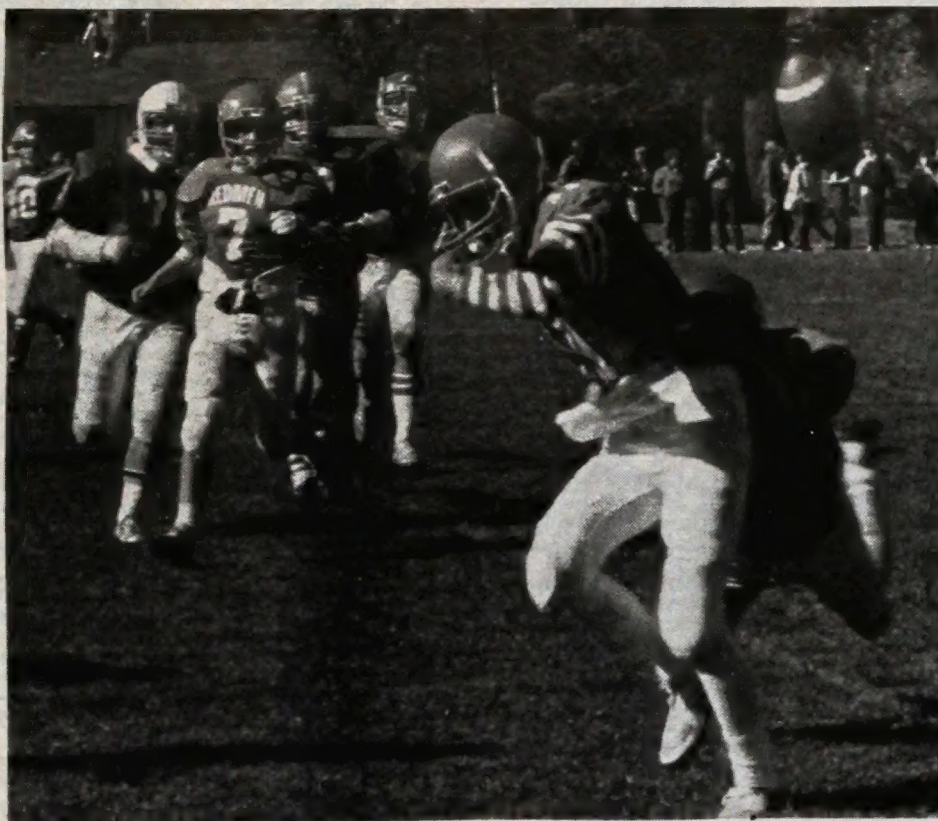

The Spartans moved to the Haliburton 30 yard line in two plays. When the Spartans tried for a field goal the ball was fumbled and recovered by Mike Goryeatt on the Redmen 40 yard line.

Quarterback Trevor Powers then combined with Rob MacLeod and Kevin Smith to move the ball to the Spartans 10 yard line.

The teams switched ends at the end of the third and on the first play of the last quarter Peter Allore carried the ball in for the go-ahead T.D.

Rob MacLeod caught Power's pass in the end zone to gain the two point conversion.

The Spartans wasted no time moving quickly downfield to the Redmen 10 yard line. With their backs to the wall the Redmen defense led by Terry

Redmen quarterback Trevor Powers loses possession of the ball while being tackled by a Lindsay player. Trevor led his team to a 21-14 victory on Friday.

Hobden and Mike Blake held the line and regained possession.

The Spartans got the ball back a few plays later after recovering a fumble. They threw a long pass into the end zone but Kevin Smith intercepted and ran the ball out to the Redmen 25 yard line.

The next Spartan offensive drive was stopped again on an interception by Mike MacNaull. The Redmen moved downfield then punted.

Lindsay zeroed in on the goal line after a thirty yard pass reception put them on the Redmen's doorstep but once again the drive was stopped as Mike MacNaull and Kevin Smith combined to knock the ball loose and the Redmen recovered.

With only seconds remaining the Redmen simply played out the clock to hand the Spartans their first defeat of the season.

Coach Gary Brohman singled out three offensive players for their outstanding play; quarterback Trevor Powers, Mike MacNaull and Peter Allore.

Brohman also selected Peter Allore for his strong defensive work along with Terry Hobden, Kevin Smith and Mike Blake.

Juniors win

The Junior game was also an exciting, evenly matched contest that saw the home team score a 7-0 shutout. In the first quarter both teams made strong advances but were unable to score.

The Spartans came close in the second quarter moving to the Redmen 10 yard line. The Spartans tried three times to break through but could not penetrate the Redmen defense and Haliburton took possession.

Pass receptions by Ian Cooper and several long

runs by Craig Crowe and Andrew Burke moved the Redmen downfield out of trouble.

The Redmen kicked off to open the second half. The Spartans returned the ball to midfield but lost possession when Derek Little recovered a fumble. This set up a drive by the Redmen and after moving in to the Spartan 20 yard line Andrew Burk ran the ball in for the only touchdown of the game. Jaro Cooper split the uprights to put Haliburton up by 7 points.

The Spartans were unable to get close in the fourth quarter being stopped twice

on interceptions by Ian Cooper and Tom MacLeod.

Coach Brohman selected quarterback Tom MacLeod as one of the offensive leaders of the game along with Ian Cooper. MacLeod completed 7 of 9 passes for a total of 133 yards. Ian Cooper caught 6 of those

passes for 123 yards.

For their defensive play, coach Brohman singled out Craig Crowe, Tom MacLeod, Ian Cooper and Kevin Barnhart.

The Redmen play their next game in Haliburton on October 18. This will be a sudden death playoff game.

senior league

by Bert Harrison

Dear readers, another week has come and gone and bless my heart, so much activity here this weekend, I don't know where to start.

Everyone had a relative coming in or coming to take them out. So many relatives coming to call, it is hard to keep track of them all.

Millie Wood had her daughter Joyce call. Mrs. Stutt's daughter Ruth too. Della Curry had her son and wife to call. Ada Allcorn, brother Sinclair and wife came Sunday, took her for a nice drive down around Bob Lake and Sandy Bay. Winnie Johnson's son Bill came to spend the weekend somewhere, took his mother shopping Saturday downtown in a wheelchair. Lily Hogg had family too which was fine, took her for a nice drive then out to dine. Edna Cowan had relatives too, different ones calling while passing through. Some of my family took me for a nice drive then out to eat.

A goodly number came for the chapel service Sunday night. We had no one the music to play. Rev. Burgess always conducts a real interesting service anyway.

I would like at this time to thank my readers who send me many compliments on my senior league letter. Sometimes I feel like quitting but this gives me courage to hang on and try to do better.

I was please to have Art and Nellie Kerr here Sunday. They live in a lovely home on the shore of Kushog Lake and they are our dear friends where we lived up in Carnarvon.

Linda showed us movies Monday night that really caught our eye. Trans-Canada Journey, Yellow Head Highway and Fly Geese Fly.

Tuesday morning Rev. George Elliott of Minden Anglican conducted a very impressive communion service in the chapel, which we thought was fine. His message was along the Thanksgiving line.

Tuesday noon, Doris said "Let us board our bus and get right out of town to view the coloured leaves around the countryside before they start falling down." This we did and north we went, the weather it was fine, Linda came along to help keep all of us in line. We crossed

over, took the road of west side of Kushog Lake. The road was crooked and hilly, but with coloured leaves galore, at last we came back to Highway 35, stopped to make sure we were all alive. Then on we went to see Dorset tower, some thought they'd like to climb, but didn't have the power. We came back, not stopping for a meal, we never worry with Doris at the wheel.

We had a lovely drive this day in October, when we returned to Hyland Crest everyone was sober.

Congratulations to Mrs. Jenkins who was 94 today. Her son and his wife came to help celebrate, fine piano music Ray does play.

A grand party here this Wednesday afternoon. Members came from near and far to congratulate Edith Welch and presented her with a lovely pin for being a member for 25 years of the Eastern Star. I went down to the craft room really just to see what the ladies were doing and had a cup of tea. Everyone was doing this or that, to these willing workers we take off our hat.

Now here's more news - Lily Hogg won this morning pitching horseshoes. The tea party as brought in this Thursday afternoon by the ladies of Lutterworth Estates. I had company so didn't attend, they said the food was great. We would just like to say thank you for coming this October day. We had another pleasant surprise today, our niece Joan Purkiss and friend called, she lives over Orillia way.

Friday afternoon after having a lovely week's holiday Grace Coburn came to lead us in a sing-a-long and it was so nice to have Norma Barron back with the music to play. Grace always has some humorous poems, sings a number or two without these entertainers I don't know what we

would do.

We thank our bingo callers Thursday night, Dave Stevens and Bev Jewitt. The players said that they were really good and knew how to do it.

Well readers, Thanksgiving time again is here. Let us be thankful for all our blessings over this past year.

Branch 129 notes

Apartment building

President McKay called a special meeting on September 18 to keep the executive informed on the proceedings of the proposed land purchase, for the purpose of constructing an apartment building for veterans and senior citizens.

This was a follow up to a meeting with Legion and the Municipality of Dysart representatives.

Ms. Gibson, Housing Consultant and Mr. Reimers, an architect from Toronto were guest speakers. At the last General Meeting, a motion was duly made, seconded and carried unanimously to purchase the said property.

Bingo jackpot

Congratulations to Rose Pringle on winning the \$500 bingo jackpot. A snowball prize of \$348 was also won. Other attractions are the turkey and ham rolls at Thanksgiving, and also Cec Bailey's Saturday night entertainment. Details are posted on the clubroom bulletin board.

Donations

Among Branch donations last month, the Haliburton Atom hockey team were the recipients of \$200 to help purchase team jackets. This was in recognition of their fine achievement last winter.

Cadets

Further details on the Cadet movement should be published soon as the papers have gone to Provincial Command.

Drumhead service

A bus and several cars from Branch 129 attended the District Drumhead service in Beaverton on September 23.

The rain held off for the massive parade to the cenotaph which included 150 sets of colours and several bands. Nearly 500 members attended the Divine Service after the parade.

Guest speaker, Provincial Officer Irv Snider, reminded members of our ultimate goal in caring for our sick and needy veterans. He stressed a face-to-face contact with all veterans to encourage them to join the Legion.

In addition, he asked for more assistance for Associate members who are bringing new and younger ideas to our organization.

The beautiful and impressive ceremony of piling and unpling the drums was conducted by Drum Sergeant Don Johnston and carried out by the Haliburton Legion Pipe Band.

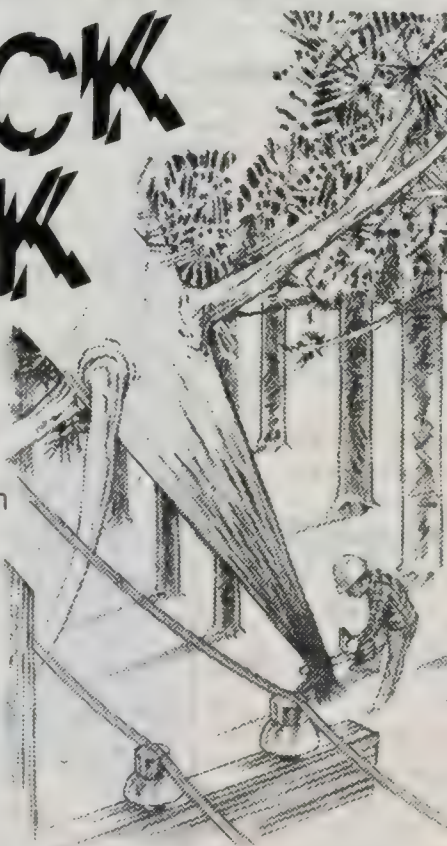

(Prepared by Mabel D. Brannigan, P.R.O., Branch 129)

SHOCK TALK

Cutting down or pruning trees near overhead wires is dangerous. If you are touching a tree or branch that falls into wires, you could be seriously injured or killed.

Be extremely careful. Before pruning or felling trees that are near hydro wires call your local hydro for advice or assistance.

Your safety is our concern.

ontario hydro

Home Support news

by Donna Bailey

Fall is a beautiful time of the year if you are as fortunate, as we are, to be living in the "Highlands of Haliburton".

Within the next few days the colour and splendour of the leaves will be reaching their peak. If only we all were artists - but a camera for those of us who are unable to catch it on canvass.

It is a glorious time to take a long, leisurely drive and breathe in the beauty of our surroundings. Karen Dewey and myself were out last week on business within the County and we thoroughly enjoyed the time we spent

driving from Haliburton to Carnarvon to Minden to Kinmount and back to Haliburton. We hope you all take the time.

Like the poet said, "What is this life if full of care, We have no time to stand and stare".

If you need a helping hand with raking those "Jack Frost painted" crunch leaves give us a call at 457-2941. We have adults and students who are willing to help you gather them up plus do other fall jobs. Effective October 1 the minimum wage for home help will be \$4.00 per hour for adults and \$3.15 per hour for students.

Have a nice day!

The South Lake Trailer Park Seasonals enjoyed a pot luck supper on Saturday followed by a dance.

Present were the Leamans, the Smiths, the Osbornes, the Holemans, the Forbes, the Tucks, the Arkleys, the Nicholsons, the Dunns, the Williams, the Taylors, the Murtzs, the Duff family, Stewart family and D'Angelis family. All the seasonals contributed toward a going-away gift for Eleanor and Dick Stewart who have sold South Lake Tent and Trailer Park. Gifts included a pine patio set (2 chairs with table attached) a lovely punch bowl set and a potted 'mum'. Eleanor and Dick accepted the gifts with thanks and welcomed the new owners, Edith and Jim D'Angelis. Good luck to Eleanor and Dick on their retirement and much success to Edith and Jim.

Weekend guests with Lil Porter were Norma and Don Ellis, Bill and Jean Porter and family all of Oshawa.

Glad to hear Freda Harrison is enjoying a holiday in the sunny south.

Sunday guests with the Milton Sears were Sandra and Logan Moth, Muriel, Chris and Scott Ewing, all of Toronto.

Home for the weekend visiting his parents, Florence and Phil Robinson of Minden was their son, Bradley from Toronto.

Mrs. King is visiting with her daughter in Barrie at present.

Don't forget St. Paul's Anglican Annual Turkey Supper on Saturday, October 27, sittings 5 and 6 p.m. Adults \$7, children \$3.50, pre-schoolers - free.

Winners for Club 35 card party this week were: - High lady - Ruth Cummings; high man - Bill Donnelly; Most lone hands - Olive Daniels; low hand - Jeanne Penick. The door prize was taken by Jack Weekes while other winners for the evening included Newton Hackney, Lodi Mestroni, Mary Schad, Barb McNeil and Art Verbaan.

Mrs. Vera Ward is away enjoying a weekend with relatives in Barrie.

Carol, Reg and Karen Leaman of Keswick while at their trailer, visited several times with her mom and dad, Jeanne and Milt Sears.

The winners of the Thursday afternoon card party last week were lone hands (on a cut) Pearl

Cowen, other winners - Verna McDonald, Frank Dunsford, Muriel Proctor and Charles Beharrell.

We remind you of the 2nd Annual Haliburton Artists Variety Evening at the Haliburton Highlands Secondard School auditorium on Saturday, November 3 at 8 p.m. There will be no admission charge but freewill donations will be taken and all proceeds from the concert will go to self-help projects being funded in third world countries by the H.A.V.E. Committee. It promises to be a most enjoyable evening with local and visiting artistes taking part in the evening's entertainment. Cathy Kinsman will host the performance in conjunction with Rick Vaughan, music teacher at H.H.S.S.

Guests for Thanksgiving with Jeunne and Jim Simpson were her parents, Mr. and Mrs. Cliff Lacey and her aunt and uncle, Bob and Barb White of Hanmer. Also present were Joanne and Jim Oatman with their children Joshua and Crystal from Shelburne.

Don't forget children's movies at the library-

Somebody's Prime Minister

Hi there! Mr. Reagan
Who's the Charlie on your knee?
He's somebody's Prime Minister
Strange as that may be

The little man who wears the crown
May be enticed to hawk it
I fear he may be small enough
To fit into your pocket

He winged his way on promises,
Ballooned sir to election.
But one thing sir, was positive,
He carried your reflection.

Yes Sir, He'll answer your request,
More guns to pave the way
Premising the road to peace
On more hostility.

Another gun to overkill,
Though negative in substance
Will prove a vote to Ares, Sir,
It's only evidence.

Wm. Watson,
R.R.2, Minden.

cultural centre on Friday, October 12 from 7:15 to 8:15 p.m. Admission is free.

A very excited local man, Reg Munns of Kushog Lake, informs us he was privileged to be at Old Fort York on Saturday, September 29 when Her Majesty, Queen Elizabeth was inspecting the fie regiments there. Reg was on parade with the 48th Highlanders and you can imagine his surprise and delight when our Queen stopped and spoke to him. He said she is quite a lady, she looks you straight in the eye with her beautiful blue eyes and is much prettier than her photographs or on T.V. He says he was almost speechless but remembers their conversation as follows:

H.M. "Being a member of the 48th, what is your name?"
Reg: "Acting Sargeant Reg Munns."
H.M. "It is quite a regiment".
Reg: "Yes, we are a family."
H.M.: "Isn't that nice."

We must admit we are just a bit envious of Mr. Munns - what a wonderful memory. Thank you for sharing it with us.

Q: How do you keep cool at a football game?
A: Sit next to a fan.

Q: Why do birds fly south in the fall?
A: Because it's too far to walk.

Q: When can you carry water in a sieve?
A: When it's frozen.

Q: Why couldn't Noah catch many fish when he was in the Ark?
A: He only had 2 worms.

Q: What is everyone in the world doing at the same time?
A: Growing older.

Q: Why does a giraffe eat so little?
A: Because a little goes a long way.

Q: If two is company and three's a crowd, what is four and five?
A: Nine

Q: What kind of shoes are made of banana skins?
A: Slippers.

Q: What month has 28 days in it?
A: All months have.

Q: When rain falls, does it ever get up again?
A: Yes, in dew time.

CARD OF THANKS

The family of the late Laura Harrison wish to thank all who brought food and sent cards of sympathy. We wish to thank those who gave memorial donations, floral tributes. A special thanks to Rev. George Elliott, and Monk's Funeral Home. Everything everyone has done is truly appreciated. **Harold Harrison**

I would like to take this opportunity to thank all the wonderful people of Minden and surrounding area for their generous support in our aid to purchase a Croupette for the Minden Hospital. I would like to thank Bruce Jennings and Jim Madell who walked with us. Lee Oster who was up and down the highway with his two way radio helping us. To the EJ Motel, thank you for the coffee and the large contribution. To Jack and his staff from the Minden Times for their support. A very big hand for three eleven year olds for their help. Patty Amyotte and Terry and Tony Prentice. A very special thank you to our Kinsmen and the K-40 Club, without them the Crib-a-Thon would still be a dream. Last but not least my fellow Kinettes, who backed me from the start on this project, collected pledges, and came out to walk the 15 miles. Thanks girls. After all the pledges have been collected there will be a large cheque presented to Peterborough for the CAT Scan. Thank you all. **Crib-a-Thon Chairman Kinette Norma Amyotte.**

CARD OF THANKS

We would like to say thank you to everyone who attended, sent cards, gifts of money to us to help celebrate our 25th anniversary. Thanks to Mom, my brother and sisters who helped. Pennay for the lovely cake and dolls she made. My sister Joy and Don from Georgia - 25 yellow roses. Wish they could have been here. A very special thank you to our five sons who were responsible for it all - who needs girls. Thank you Darryl for your song. We are very proud of your talent for writing and singing us our very own song. We are proud of our sons for getting so many friends and relatives together in one place. Once again, thank you one and all - we're proud to call you our friends and relatives. **Don and Opal**

AT REST

GROZELLE Allan James

- at the Minden Hospital on Tuesday, October 9th, 1984 in his 72nd year, beloved husband of Effie Cameron, dear father of Donald and Linda (Mrs. O. Cooper), both of Norland, Bruce, John, Keith and Roger, all of Oshawa, Mabel (Mrs. C. Brohm) of Brampton, and Ronald of Kinmount, dear brother of Gilbert of Lindsay, Alexander of Bowmanville, Leonard and Helen of Peterborough, Eva of Norland, and Lloyd, predeceased by Kenneth, Hilda and Dorothy, fondly remembered by many grandchildren and great grandchildren. Resting at the Gordon A. Monk Funeral Home, Minden after 2:00 p.m. Wednesday for service in the chapel on Thursday, October 11th at 1:30 p.m. Interment Norland Cemetery. Memorial Donations to the Cancer Society would be appreciated by the family.
